Dear Deborah and Arne Arnason,

This is to acknowledge receipt of your Letter of Protest/Comments to the Public Service Commission of South Carolina. Your Letter of Protest/Comments will be placed in the Protestant File of the Dockets listed below and on the Commission's Website at [www.psc.sc.gov](http://www.psc.sc.gov).

- Docket No. 2018-318-E - Application of Duke Energy Progress, LLC for Adjustments in Electric Rate Schedules and Tariffs and Request for an Accounting Order
- Docket No. 2018-319-E - Application of Duke Energy Carolinas, LLC for Adjustments in Electric Rate Schedules and Tariffs and Request for an Accounting Order

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

You can follow the Dockets and other daily filings made at the Commission by subscribing to the Commission's Email Subscriptions at this link: <https://dms.psc.sc.gov/Web/Email>; or you can follow the individual Dockets at the links listed below:

**Comments:**

No rate increases to Duke Energy for dirty coal or hazardous nuke cleanup. No new power plants unless they are GREEN solar wind geothermal or similar innovations (not fracked gas nor any more air and water polluting new energy sources)  
We are seniors on low income, Dele customers here in Pageland and can not afford a rate increase of \$14-19 a month!  
Besides, I went to Duke shareholder meetings when We had a few shares (no longer, JUST customers) before the coal ash spill to try to get a Resolution to look at the true costs of coal and they refused both under Jim Rogers and now under Lynn Good. Please make them clean up their act at shareholder expense, not the public's. Thank you for caring
